4. (Internal Use Only - LLM) Robert Hull, Department of State, called in connection with my earlier inquiry and reported that the Foreign Service Association Hospital Plan will be amended effective 1 January 1970 to place overseas and domestic Foreign Service personnel on the same footing with respect to reimbursement under the medical insurance plan and the overseas medical statutory benefit program. Hall, Jr., who is with the Foreign Service Protection Association has further details. This information was passed on to Mr. [] Personnel.

5. (Confidential - GLC) Mike Finley, Executive Assistant to Representative Dante Fascell, called to say that a reporter in Key West, Florida for the Miami Herald had been in touch with their office regarding what the reporter referred to as increasing numbers of boats of armed Cubans being picked up on the Florida coast. According to the reporter, these boats have been taken into custody by the Coast Guard but no action has been taken with regard to the individuals involved. The reporter wanted to know how he could contact the Agency with regard to this. I told Finley that this was a matter for joint responsibility on the part of the Coast Guard, the Immigration and Naturalization Service and the FBI, and not an Agency problem.

Finley also mentioned that an individual by the name of [redacted] [redacted] had told Wright Langley, of the Miami Herald, that two boats were operating out of Marathon, Florida and he [redacted] thinks these boats are owned by CIA. After discussing this with [redacted] Deputy Chief, WH Division, I advised Finley that Congressman Fascell was well informed regarding our activities and was aware that the Agency was not engaging in operations of this sort. Finley said this caused him no problems and thanked me for my response.
